**USING AGENCY:** Wayne County Public Schools

**“Notice of Intent”**

Wayne County Public Schools intends to award purchase utilizing DODEA Grant funding as provided by US Department of Defense, to **Safeware Insurance Agency** for the purchase of Applecare extended warranty service for STEM lab iPads.

This extended insurance program provides replacement of any iPad for damage, theft, or other means of loss. This is the preferred Apple care program, to insure the continued usage of all products purchased within the means of the DoDEA grant. The program guarantees replacement of our Apple products, in order to provide on-going instruction and improved classroom curriculum, through a visual presentation device and 21<sup>st</sup> Century learning skills. The program will insure our devices are continuously operating and available to provide learning applications for improvement of writing, math, literacy, questioning skills, scaffolding, and collaborative skills to enhance the student’s core curriculums. It insures Teachers will be able to provide continuous monitoring of student progress and assign applications through syncing with the Apple Learning Labs (containing iPad Air Units). Students will be using the iPad’s with hands on applications in language arts, math, science, and social studies to engage and enhance their learning experience. In addition, students will be able to improve their collaboration and classroom talk skills.
