“Notice of Intent”

Wayne County Public Schools intends to award purchase utilizing ARRA- Student Improvement Grant funding, as provided by US Department of Education, to Amazon, for Kindle Paper-white Editions, No special Offers- A Sole source Provider- for specified edition.

The intent to acquire the Kindle Paper-white Edition will be to provide a tool for the teachers to measure the student’s comprehension of the text by answering questions from the text using the Common Core Standards. This enables the challenged readers to actively listen to the novel while they follow along with the text. This gives them the ability to discuss the content with those who can read it independently. The teachers will be choosing learning applications and novels to improve writing, literacy, scaffolding and collaborative skills to enhance their core curriculum.
