**“Notice of Intent”**

This serves as an official notice, as required by US Department of Education. Utilizing ARRA - Race to the Top funding, Wayne County Public Schools intends to purchase Cisco Wireless catalyst switches, stack cables and Aironet caps.

The intent is to enhance the current infrastructure in order to support the use of wireless and/or mobile devices purchased through the use of this grant. In addition, switches will be added in order to provide ports for connections to the Internet for additional connections. These additions are necessary to enable the network to support the various programs and devices purchased with Race to the Top funding.
