OUR MISSION

All Wayne County Public Schools students will graduate from high school globally competitive for work and postsecondary education, prepared for life in the 21st Century through rigor, relevance and relationships.

INCLEMENT WEATHER POLICY/AlertNow INSTANT Messaging SYSTEM

The Wayne County Public School System may make the decision to close early or cancel school when weather conditions make driving hazardous. Using the AlertNow system, decisions will be communicated to parents/guardians as soon as possible. Announcements regarding inclement weather and how it is affecting the schedule of Wayne County Public Schools can also be accessed by visiting www.waynecountyschools.org or tuning to the following stations:

Radio Stations: WGBR-1150 AM; WFMC-730 AM; Q97.7 FM
Television Stations: Channels 5, 7, 9, 11, 14, 17, WCEA 18 (Time Warner Cable)

If no announcement is made, schools will operate on a normal schedule. Weather conditions sometimes become unfavorable during the day after children have arrived at school. If early dismissal is necessary, the AlertNow system will be used to notify parents electronically according to the method they are registered for. Local radio and TV stations will also make the announcement. Working parents are advised to make arrangements for childcare on days when schools must be dismissed early. **Please do not call** schools, the central administrative office, or the news media. We will communicate closings and early dismissals as quickly as possible. Our primary concern is the safety of children. **Parents are encouraged to keep their contact information up-to-date for the AlertNow instant messaging system.**

Kindergarten Information

During the first four days of the school year, kindergarten students will attend school on a staggered schedule with one-fourth of the students in the kindergarten class attending each day. All students in the kindergarten class will attend on the fifth day of school.
