OUR MISSION

All Wayne County Public Schools students will graduate from high school globally competitive for work and postsecondary education, prepared for life in the 21st Century through rigor, relevance and relationships.

INCLEMENT WEATHER POLICY/AlertNow INSTANT Messaging SYSTEM

The Wayne County Public School System may make the decision to close early or cancel school when weather conditions make driving hazardous. Using the AlertNow system, decisions will be communicated to parents/guardians as soon as possible. Announcements regarding inclement weather and how it is affecting the schedule of Wayne County Public Schools can also be accessed by visiting www.waynecountyschools.org or tuning to the following stations:

Radio Stations: WGBR-1150 AM; WFMC-730 AM; Q97.7 FM
Television Stations: Channels 5, 7, 9, 11, 14, 17, WCEA 18 (Time Warner Cable)

Wayne Early Middle College High and Wayne School of Engineering will follow the same inclement weather guidelines as all other Wayne County schools. This includes closings and delays. If no announcement is made, schools will operate on a normal schedule. Weather conditions sometimes become unfavorable during the day after students have arrived at school. If early dismissal is necessary, the AlertNow system will be used to notify parents electronically according to the method they are registered for. Local radio and TV stations will also make the announcement. ***Please do not call*** schools, the central administrative office, or the news media. We will communicate closings and early dismissals as quickly as possible. Our primary concern is the safety of children. **Parents are encouraged to keep their contact information up-to-date for the AlertNow instant messaging system.** For information on possible delays or closings regarding Wayne Community College classes please check the college website at www.waynecc.edu.
