**CARES Nurse 919-242-3410	(Martha until filled)	Fremont Elementary

Schedules vary for screening programs/immunization clinics, occasional seminars or workshops, and emergencies at other schools. School nurses must attend monthly mandatory staff meetings at Wayne UNC Health Care. A weekly/ monthly schedule will be provided to principals. Phone calls and e-mail are the best ways to get messages to the school nurses. Nurses assigned to one school can be reached by calling the school directly.
